(If Letter Pages could fight)

Those fabulous Scottish pop twins The Proclaimers, are in fact triplets. I spotted the 3rd member on the news the other night. He lives at No 10 Downing Street and runs the country on a part-time basis.

### WINTER'S OVER

How sad I was to hear the news that TV Comic Bernie Winters had died. I will surely miss his cheery catchphrase "eeeeeeeee" and the close, if not somewhat unnatural relationship he developed with his lovely dog Schnorbits.

M Winters  
Kensington

Last night I went to my local video shop and rented a gruesome horror film. But I was disgusted and appalled at the particularly horrific opening to the film. In the very first scene, Simon Bates appeared and did a condescending lecture on why it contravenes copyright laws to make illegal copies of video tapes. Needless to say I found this so gruesome and stomach turning that I couldn't bear to watch the remainder of the film. Shouldn't there be a warning on all such "video nasties."

Innes Tiffin  
Darlington

### ROAD SENSE

A recent Police report stated that 5% of all motoring accidents are caused by drunk drivers, while a further 12% of all accidents are caused by carelessness on the part of the driver. This means that a whacking 83% of all road accidents are caused by people driving sensibly. Surely it's about time all careful, sensible drivers were locked up.

Mike Colbum  
Manchester

"You have to be cruel to be kind," so the old saying goes. What rubbish. Why not just be cruel and leave it at that.

N Tebbit  
Westminster

Can anyone explain to me how Dennis Wise, Geoff Thomas and David Hirst can get in the England team. And why has Brighton and Hove Albion's resident football genius, Johnny Crumplin been overlooked.

B Lloyd  
Sussex-by-the-Sea

Whilst out walking the other day, a Ford Escort XR3 mounted the pavement at about 50mph and mowed down my wife, killing her in the process. Before the car sped off, I managed to catch a glimpse of a sticker in the rear window which read - "RUGBY PLAYERS DO IT WITH ODD SHAPED BALLS." This tickled me greatly and more than made up for the loss of my wife, who I was going off anyway.

Lee Ward

### JOB SPOT

Whoever is responsible for compiling the questions that appear on the forms at the Job Centre? Whilst filling in a form the other day I came across the question: "How far are you prepared to travel to work?" What an utterly stupid question. Obviously I'm prepared to travel all the way. It would be silly just to travel half the way or three quarters of the way.

L Woods  
Lincoln

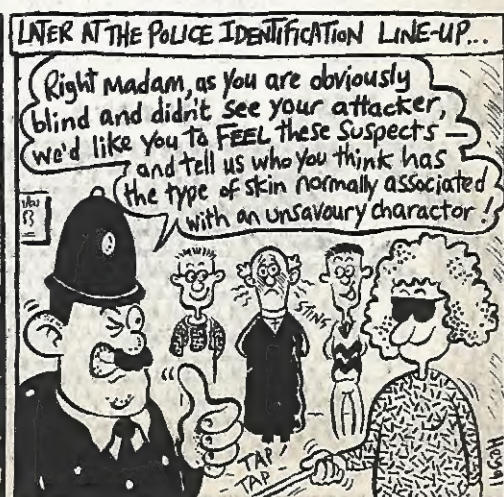

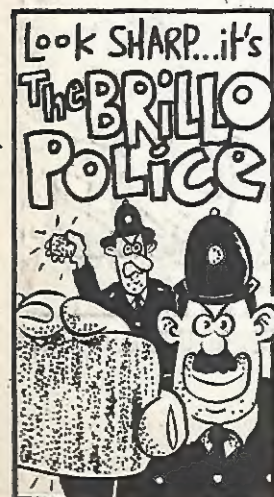

Do you have an interesting tale to tell or perhaps a wry but sensible comment about life's little ironies. You do? Then send them to TV Times, 247 Tottenham Court Road, London. On the other hand, if you've nothing better to do and don't mind wasting a stamp, why not write huge amounts of old shite to us at the address at the top of the page. The best letter wins a T-Shirt or a mug or some other bit of old tat depending on what we find lying about.

So Chesney Hawkes is the 'one and only' is he? Good fucking job too.

Lisa French  
Basildon

I love drinking pints of lager, but unfortunately don't have a lot of money. So instead of swallowing the lager, I simply gargle it and spit it back into the glass. You'd be amazed how long I can make one pint last.

Andy James

In a local restaurant, I overheard a man saying he couldn't imagine anything more disgusting than eating snails. How about a soapy tit wank from Ethel out of Eastenders?

*Matthew Buxton

Listening to the news the other evening, I was amazed to hear that once again President Bush was off to Camp David. Aren't there any other hairdressers in Washington?

*P Noxwell  
The Infirmary*

How I laughed when I saw an advert for Interflora which contained the slogan - "Guaranteed to get to her." Judging by the state of Mrs Gandhi, they most certainly did.

*John Quinn

I bought the latest album by that woman Carrie Oakey. What a flaming rip-off! Not only was every track an instrumental, but they were all old cover versions too.

*S Bates

## UP IN SMOKE

The company where I work recently introduced a smoking ban in all its offices. I think this is an outrageous infringement of civil liberties. Consequently, I can no longer indulge in my habit of "chasing the dragon" at my desk. I am now forced to inject the Heroin directly into my veins, thereby facing all the health risks that using dirty needles entails.

*Robert (Flame Boy) Evans  
Pimlico  
London SW1*

## ALARMING THOUGHT

Why do motorists insist on fitting their vehicles with those annoying alarms? Is it really necessary to be informed every time someone walks past your car.

*Shaw Tayloy  
Southend*

Travelling by rail recently, I noticed that there were several "No Smoking" carriages on the train. Why stop there British Rail? How about "No Stuffing Your Face The Entire Fucking Journey" compartments.

*J Casson  
Cambridge*

## TACT

My son was very upset when his best friend was killed after being hit by a bus. He said he wanted to go to the funeral, but didn't have enough money. "Never mind son" I said, "I'll run you over." Nobody saw the funny side.

*Miss B Liar  
Leeds*

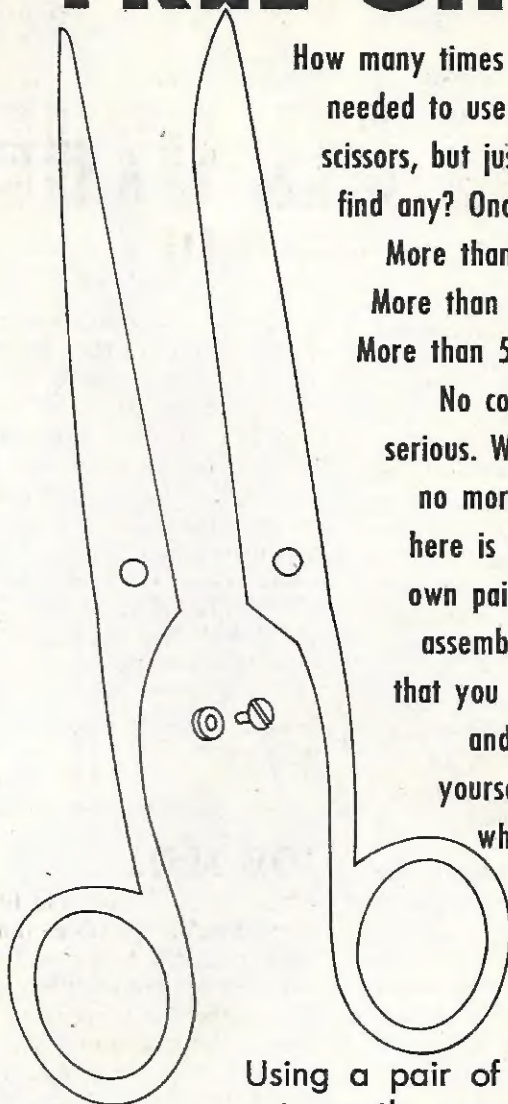

Whilst watching a recent England football match on television, John Motson the commentator said that Graham Taylor would probably pull David Batty off at half-time. Lucky old David! Most footballers only get half an orange.

*Neil Broom  
Manor Park*

On a recent edition of Sportsnight, it was reported that World Middleweight Champion, Chris Eubank had spent 2 hours Shadow boxing. That Hank Marvin must have put up a hell of a fight.

# Your very own "BARNESSEY" to cut-out and dress

(and fiddle about with)

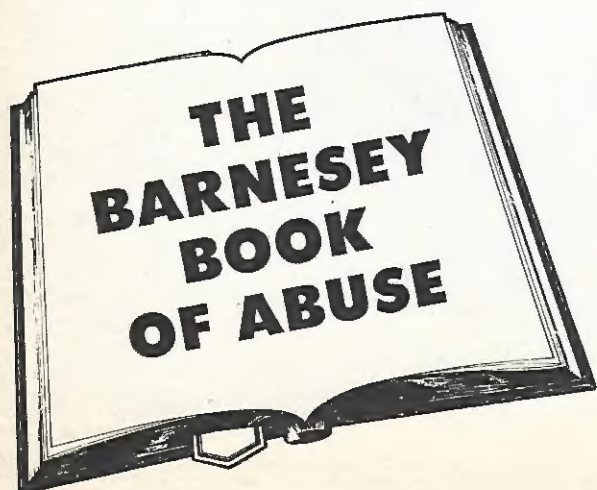

## RE-ENACT YOUR FAVOURITE MATCH

### Instructions:

Simply cut-out the Liverpool shirt and slip it onto the athletic torso of John Barnes. Cut round the small wheels shown and affix to the bottom of his boots. Then simply weave him in and out of the opposing team, waltzing past defenders as if they weren't there, riding over clumsy lunging tackles without so much as breaking stride. All the time maintaining perfect balance. Sheer poetry in motion.

For those more glamorous occasions (usually once a month on a Wednesday evening), dress "Barnesey" in this stunning England shirt. Cut out the drawing pins shown and nail his feet to the floor. Then marvel at his lack of mobility, his refusal to break sweat or even to put one foot in front of the other. In short, sit back and watch the lazy twat do fuck all for 90 minutes!

### HAVE A MOAN-UP ON US

"I don't understand it, he does it week in, week out, for Liverpool!"

"They reckon this is his last game for England!"

"Graham Taylor used to get the best out of him at Watford, you know"

"Come on Barnes you lazy cunt"

"Run at him!"

"Go on, take him on"

"Oh for fuck's sake!"

"Get that John Salako on"

# ARE YOU A RAVING CHUTNEY FERRET?

**In other words, a bit of  
a Benny on the quiet.**

It's surprising how many of our homosexual friends there are in society today. They seem to be popping up all over the place—on the football field, in the showers and on Breakfast T.V. doing the horoscopes. Don't get us wrong, we've nothing against people putting their winkies up each others bottoms and growing great woofley moustaches. It takes all sorts after all, and there's a bit of the homosexual in all of us (although I've never had a bit of one in me — oh no sir).

So here's your chance to find out whether there's a benny lurking deep within you.....so to speak. Simply answer each question A,B or C then tot up your final score to reveal whether you've got what it takes to become a big fat raging, screaming queen of a puff.

1. You go to party and get blind drunk. You and your best mate crash out in his bed for the night. In the morning do you:
  - a) Have a good laugh about how pissed you both were the night before.
  - b) Have a good laugh, but secretly feel just a little bit embarrassed that you both slept in the same bed.
  - c) Have a good laugh, until you realise that during the night, your pyjama's have mysteriously been turned back to front so that the slit is now at the rear. And come to think of it, your bottom does feel a bit sore.
2. You're watching telly with your girlfriend. She insists on watching the live match Spurs V Man Utd. Would you:
  - a) Happily agree. You're a keen soccer fan and like to watch Man Utd. getting a right good stuffing.
  - b) Happily agree. You're a keen United fan and enjoy watching Spurs getting a right good stuffing.
  - c) Reluctantly agree as you don't really like football but console

yourself with thoughts of that nice Gary Lineker getting a right good stuffing.

3. You're watching the Antiques Roadshow with your girlfriend, she remarks how beautiful the pottery on the show is, would you:
  - a) Wish she'd shut up, you really can't see the delights of hand glazed pottery.
  - b) Agree with her, the pottery really is a beauty to behold.
  - c) Ignore her. You're far too busy fantasising about fist-fucking Hugh Scully.
4. It's Sunday afternoon, you're watching ITV's "The Match" with your mates. Would you:
  - a) Feel happy and contented. There's nothing you like better than to watch the footie with your beer swilling mates.
  - b) Feel a little aggrieved that you can't talk to your mates properly because the telly's causing such a distraction.
  - c) Get up and turn the telly over. You're missing The Clothes Show!
5. The Clothes show is now on and all your mates are making lewd comments about the beauty of the models on the show. Would you:
  - a) Join in, especially when Selina Scott comes on as you really have the hots for her.
  - b) Join in, particularly when that other one comes on, you know the skinny one with the big nose.

c) Join in, but feel a strange unexplained longing for the ever youthful Jeff Banks.

6. Walking down the high street, a scaffolder's wolf whistle brings your attention to a real leggy lovely across the street. Would you:
  - a) Have a good gawp, yes he's right, she's a real stunner with a huge pair of jugs.
  - b) Ignore his lewd comments—it really is appalling how women have to suffer such foul mouthed taunts.
  - c) Have a good gawp, yes he really is a muscley hunk, with a lovely line in builders arse-crack.
7. The football's on again (yes predictable isn't it). Chelsea are beating Liverpool 1-0. Do you:
  - a) Not give a toss really, you're a QPR supporter.
  - b) Hope that Chelsea can go on to score another and wrap the game up.
  - c) Hope that Liverpool can score 2 goals and win the game as there's nothing you like better than to watch 11 grown men coming from behind.
8. You decide to read a book at

bedtime, which of the following would you choose?

- a) A Ford Sierra repair manual.
  - b) A paperback novel.
  - c) Whatever that tattooed sailor friend next to you happens to be reading at the time.
9. Your girlfriend complains that your lovemaking is no longer enjoyable. Would you:
    - a) Talk to her to find out what turns her on.
    - b) Suggest she takes another lover.
    - c) Ignore her. Making her wear a false moustache and lumberjack shirt while you give her a quick one up the "Derrick" is the most natural thing in the world.
  10. A rabid Pit Bull Terrier chases you into your bedroom. You take refuge in the wardrobe. Do you then:
    - a) Come out fighting, armed with a selection of belts and coat hangers.
    - b) Shout names at it from inside the wardrobe and hope that it will go away.
    - c) Stay silently where you are but secretly wish you had the courage to come out of the closet.

## HOW DID YOU SCORE?

A — 1 point  
B — 2 points  
C — 3 points

10 or less: A poor performance. There's not even a hint of the bisexual in you. You're certainly no fun at all in the sack.

11 — 20: Not bad. A bit more effort and we'll make a benny of you yet. Try wearing a keyring on your belt and talk loudly in an affec-

ted manner. Then get upset when people take the piss.

21 — 30: Congratulations. You've got what it takes to become a fully fledged up-standing member of the gay community. You see nothing wrong in becoming a raving Chutney Ferret. And we couldn't agree more! 2 men loving each other can be quite a beautiful thing — in a pervy, filthy sort of way.

# BIRDWATCHING BETTER THAN SEX— SHOCK SURVEY REVEALS

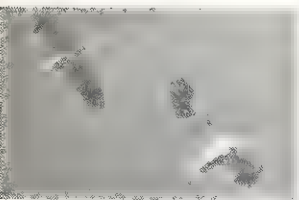

A shock survey revealed today that a massive 80% of women would rather go birdwatching than have sex with a man.

A huge 60% had gradually gone of sex after buying their first telescope—an instrument used by "Birders" that allows for really close focusing on those difficult Ducks and Waders.

An alarming 30% had tried sex only a few times before discovering that a Kestrel hovering in search of a mouse or small mammal was more exciting than fellatio.

A frustrating 1% (my girlfriend) admitted taking up birdwatching and never even having sex.

It seems as if women just can't resist the opportunity of seeing a rare Lanceolated Warbler in preference to bedroom delights.

Siberian Crane Chicks — a sight guaranteed to get women all frothy round the gills.

## WHITETHROAT

Sexy singer Wendy James from Transvision Vamp is another keen birdwatcher. "I was looking forward to seeing the Spring migrants this year, and was worried by the lack of Wheatears and Whitethroats due to the cold weather in May" she said. "Having sex" she added "just doesn't compare with seeing an early Sedge Warbler."

## BLUETHROAT

Lusty American actress Brooke Shields on a recent trip to Britain was spotted with a pair of binoculars and wearing a green jacket with lots of stupid badges on it.

Brooke admitted she had just been on a "twit" to see a female Bluethroat which was a rare visitor to these shores. She said "When you've been out with George Michael, like what I have, birdwatching seems far more interesting — and a lot more satisfying too. Nowadays I prefer a good thrush with Terry Nutkins up the road.

Some long necked scrawny bird with a shrill and unpleasant squawk.

## DEEPTHROAT

Pensioner Gladys Trout was an exception to our survey. Gladys, 102, claimed there was nothing she liked better than a damn good shagging. She admitted that she used to go birdwatching but having lost her eyesight 20 years ago she could no longer see much point in it.

...and another one.

# FAMOUS KIDS TOP THE CHARTS!

Have you noticed an abundance of famous names in the pop charts at the moment? Do the names Craven, Grant or O'Connor ring a bell? Yes, you're right, for all three popfabulous singers come from famous stock.

Chart bustin' Beverly Craven with her megasmash 'Promise Me' is daughter of former BBC Children's Newsround presenter John Craven.

"I wanted Beverly to follow in my footsteps and present Newsround, but I'm delighted with her success," said John.

## LIES

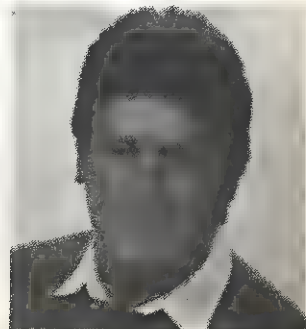

Equally delighted is MP for Tottenham, Bernie Grant, whose daughter Amy is tipped for a golden future after the huge sales of current chart topper 'Baby Baby'. 'I'm delighted and relieved' smiled Bernie. 'Amy has tried lots of careers, she's been a hairdresser, cleaner and sociolinguist but just couldn't settle down. Now she's a singer I hope she'll be happy. Mind you, her dancing's a load of shite.'

## MORE LIES

But one star wasn't so pleased: TV Funnyman Tom O'Connor. 'I begged Sinéad to stay in her steady job at the Co-op but she's so stubborn I can't control her. I had the same trouble with her sister Hazel who went barking mad and joined the Hare Krishnas. Now it looks like Sinéad is going bald.'

## WARTS

One rising young star who has an excellent relationship with his father is wart covered singer Seal. Seal, whose father was unlikely star of the 60's dolphin drama 'Flipper,' told us; 'Although I couldn't understand a fucking word of the clicks and squeaks of my father's advice, I'm sure he was a great influence on me.'

Martina Navratilova yesterday.

# SPOT THE BRUSSEL SPROUT

AND WIN A  
PACKET OF  
THE WIND  
INDUCING  
LITTLE  
BUGGERS

Weather: overcast. Pitch:  
Flat with a patterned edge.

Here's a great way to win a packet of Birds Eye frozen sprouts. We've cunningly deleted a Brussel sprout from the sumptuous spread featured above. Using your skill and judgement, place a cross where you think the centre of the sprout is.

A maximum 5 crosses are allowed per entry. Anyone making a cross on the woman's blouse where her nipple would otherwise be or in any other such predictable place will be instantly disqualified.

Make your crosses then fill in the details, cut out and send to SPOT THE SPROUT, ZIT comic, PO Box 859 Hove, East Sussex BN3 2BJ. Entries to arrive no later than 12th August 1991. The winner gets a free packet of sprouts — presented live in the next issue!

# COUNTRY VET

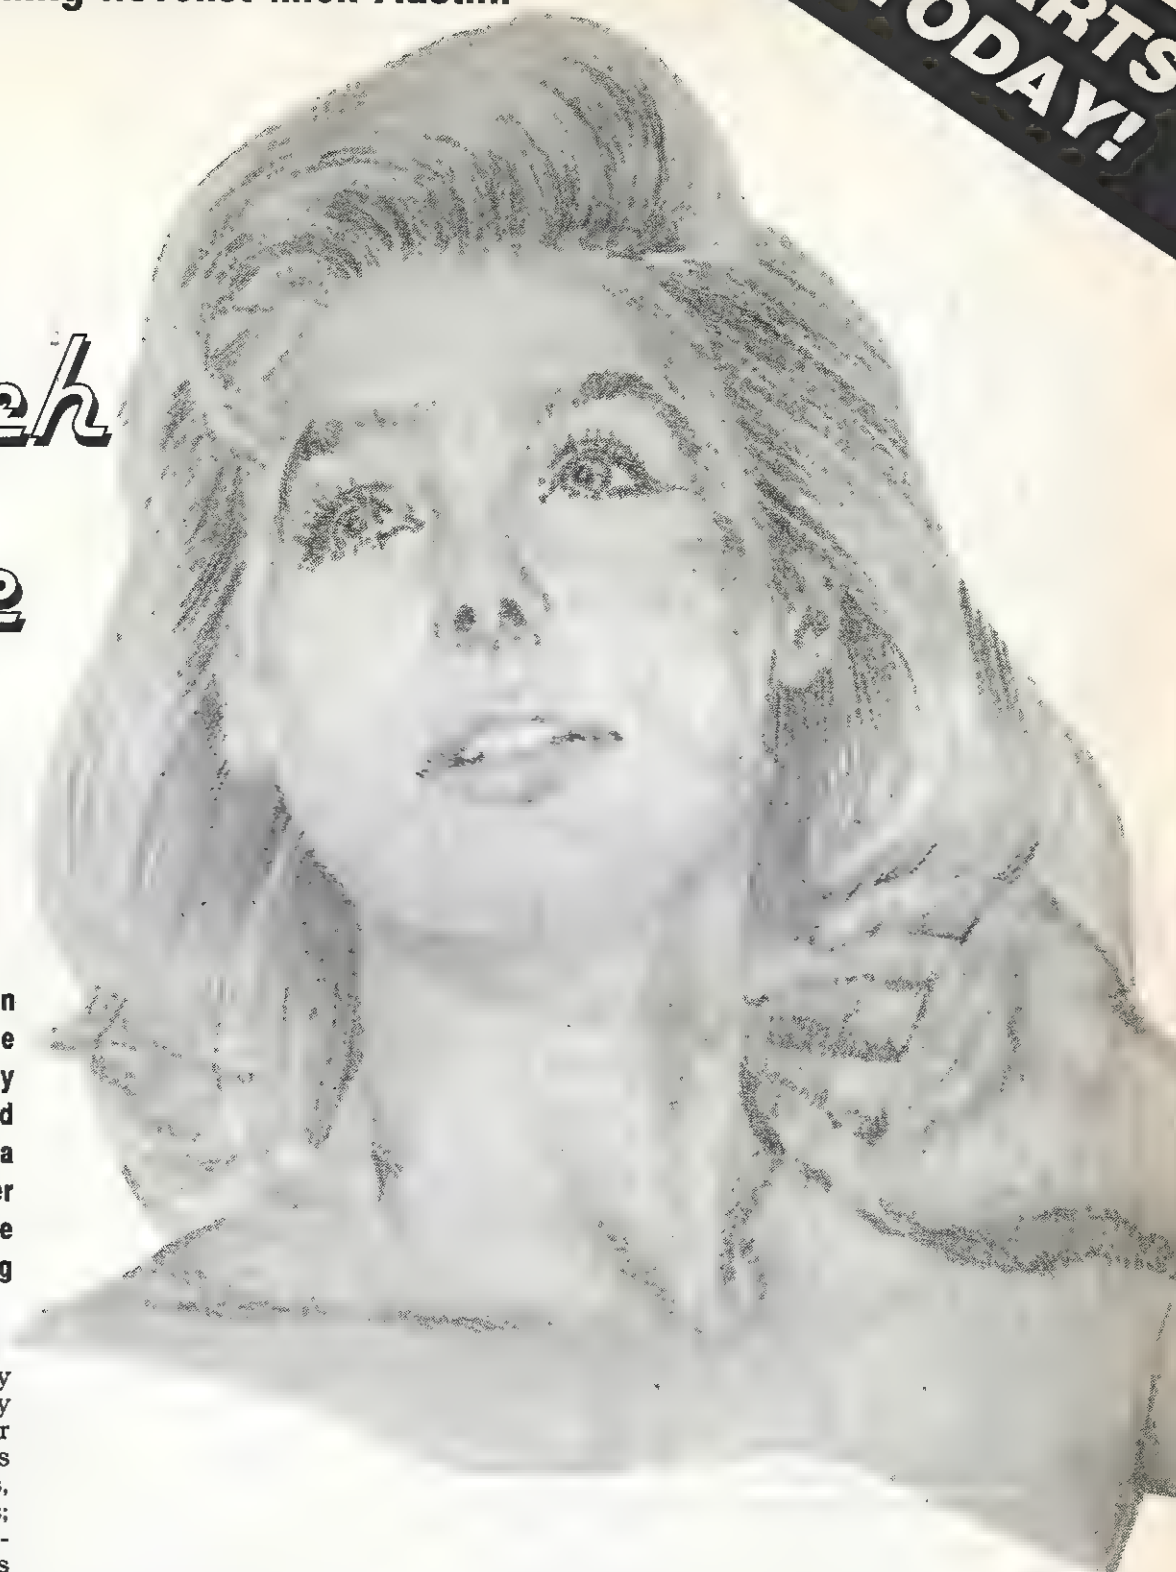

Thrilling three-part serial of love and betrayal  
written by best selling novelist Mick Austin.

STARTS  
TODAY!

## In Search of Love

Susie had never been in love; had never felt the warmth of a man's body next to hers. She yearned for both, she felt like a woman with part of her soul missing – lost in the darkness of her aching heart.

She flung the gay flowery duvet from her warm body and gazed down at her nakedness. Her fingertips whispered over her hips, her tummy, her breasts; lightly tugging at the rosebud tips, closing her eyes as the slight tingling signalled the beginning of her sweet feminine arousal. Through the fluttering gossamer curtain a robin's morning song drifted on the golden rays of a still sleepy sun. The glistening diamond dew on the grass matched in sympathetic harmony the welling tears in her eyes. Her lips were moist but silent. She had wept a thousand times but had never let another hear her grief, the anguish of an empty heart.

Many times she had resisted the eager looks and groping hands of men, hungry for her body but not for her love. She would not succumb, she would preserve her purity for that one special person she knew was out there, looking for her; like castaways in a sea of despair they would swim and swim against the currents of superficial desire and lust until they found each other and locked themselves together in an unbreakable embrace.

But where was he? Had he passed her by? Had he drifted by, disguised perhaps, testing her, waiting for her signal? Susie felt a slight twinge of panic. How was she to recognise him? Should she cast some sort of net to catch him in; turn all the fish by hand until she had found him? Her hands ran more urgently over her body. She would have to use the only net she had! She would have to cast herself amongst them and, like the man fishing for trout,

use the most colourful lure she had. She knew it would be difficult, knew there would be times when the path might seem hard to see... Her hand rested on her warm downy nest as she tried to soothe her greatest worry. Her other hand ran up the inside of her thigh, trying desperately to calm herself. It was no good. She could not avoid the awful fact. The awful truth that always hit her like a bomb from hell itself...

She was,

and always would be,

a hamster.

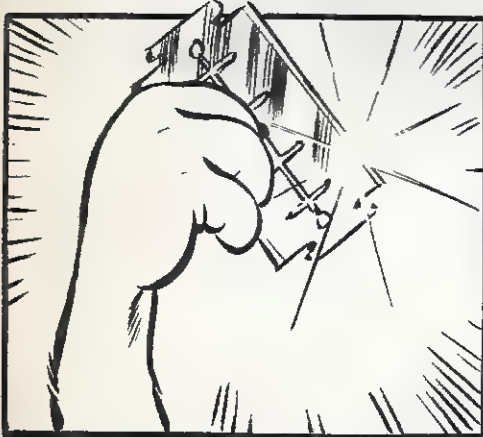

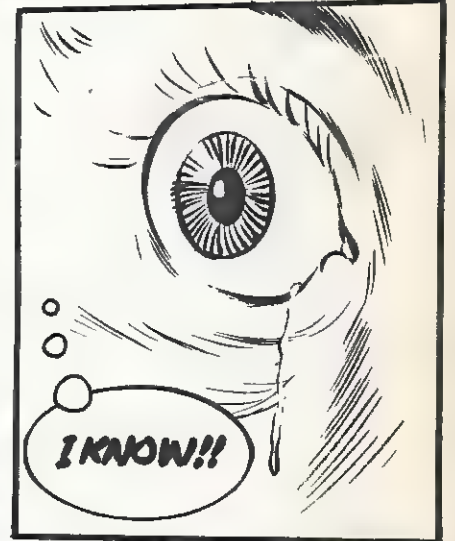

OH BLAST, BLAST THESE  
STUPID FLAPPY EARS...

WHISKERS, LITTLE PINK  
PIGGY NOSE...

## 'I SURVIVED THE CHALLENGER DISASTER'

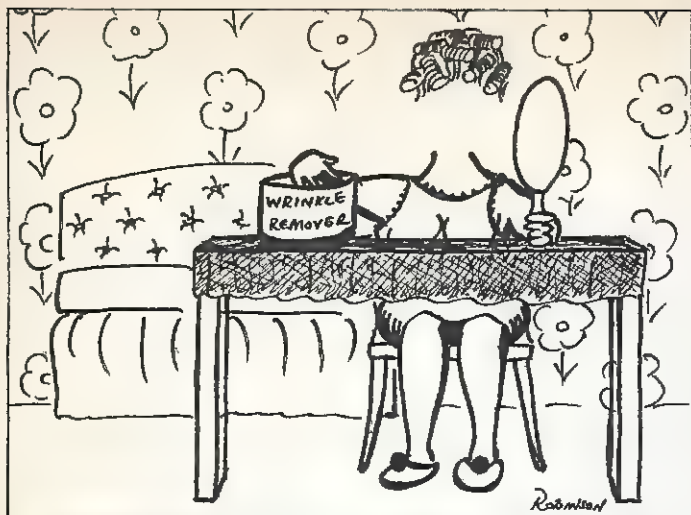

Pensioner Morten Burns told us recently about how he survived the explosion of the Challenger space shuttle. "I've been passionate about going into space for years," he said, "Ever since that first Russian fella went up in the fifties. Luckily I never done anything about training as an astronaut so I wasn't picked for that mission."

"I'd love to see a launch, but as a pensioner I'm a bit skint and it's right expensive going to America. The day the Challenger blew up I

Some old tosser

was at me local club having a game of dominoes. I said to myself "You lucky bugger." It were a bit too close for comfort the Challenger. That could have been me up there."

# 10 TOP TIPS FOR THE ELDERLY AND INFIRM

- 1 Save money by filling your own teeth.
- 2 Get a seat on a bus full of young people by smiling at them all and talking about the war a lot.
- 3 Use your wrinkles creatively. For instance, try storing pencils in the folds of your neck.
- 4 When you finally lose all your teeth get the dentist to give them to you so you can use the enamel off them to shine up your sink.
- 5 If serious incontinence strikes, use a stocking full of shit in a window box as a growing compound.
- 6 Save pounds on heating bills by inviting round friends with Parkinson's disease and rigging them up to an electricity generator.
- 7 Re-cycle friends who die in your house by using strips of their skin to

patch threadbare bits of furniture.

8 Get religion whilst there is still time.

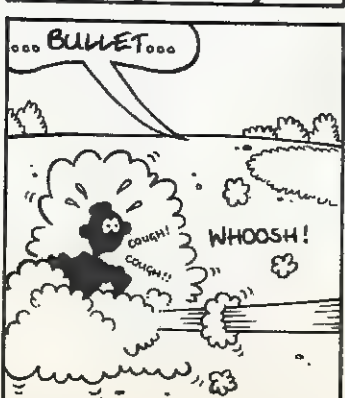

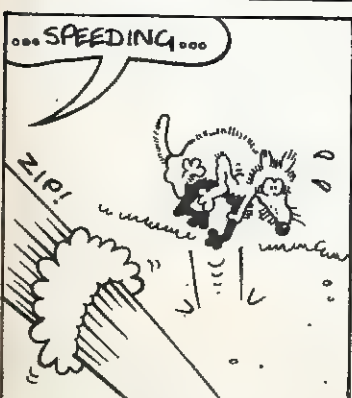

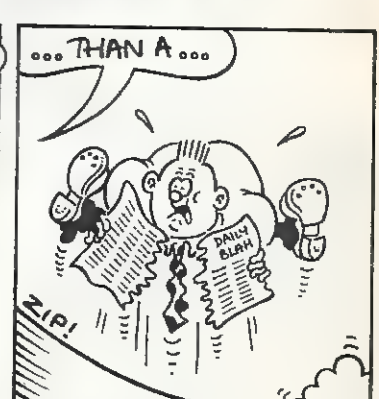

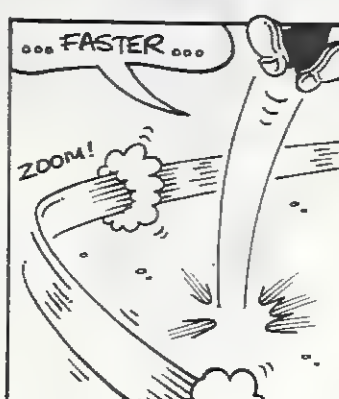

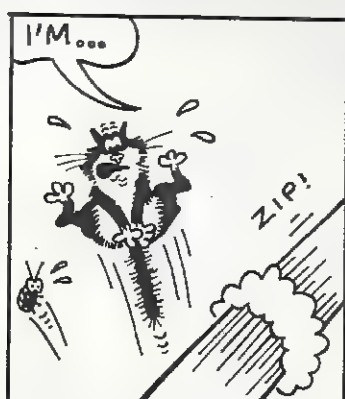

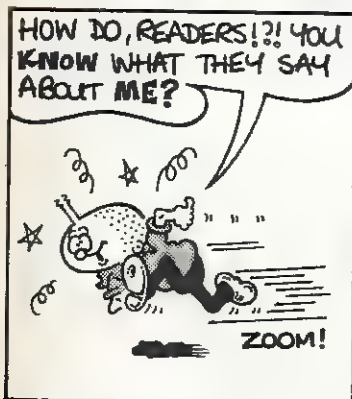

9 Make extra cash by selling advertising space on your Zimmer frame.

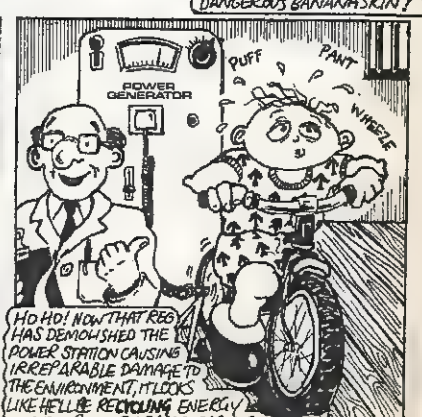

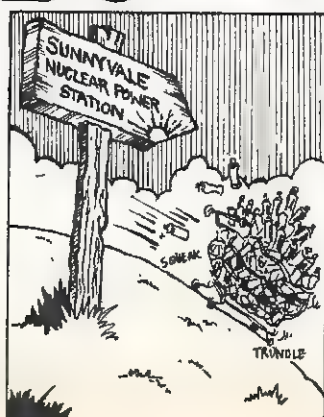

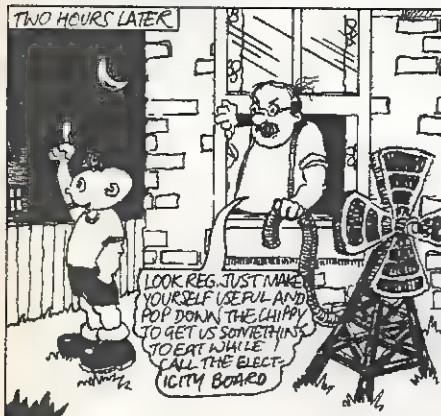

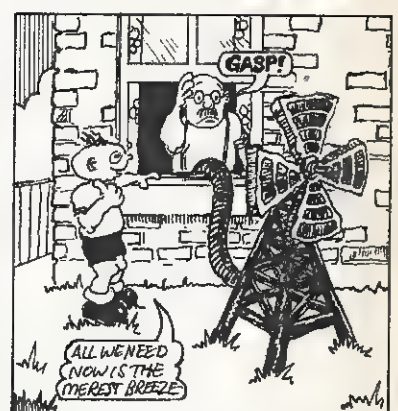

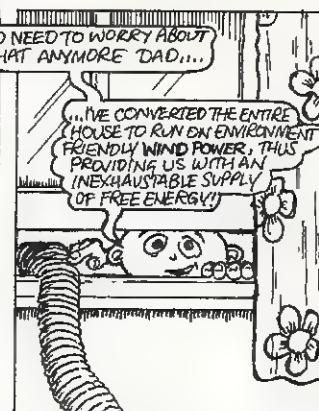

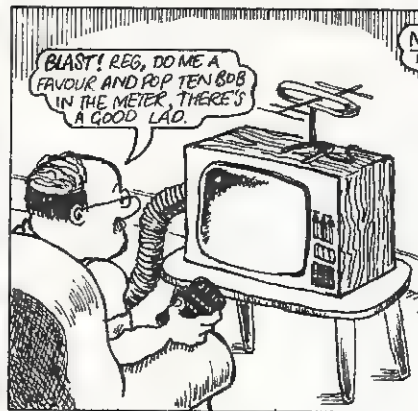

Britain's favourite old wrinkley

10 Get first place in the pension queue by creating a distraction. Bring a confused friend and point them into the road outside. Or simply shit yourself like you do every other Thursday morning.

# BILLY SULPHATE

# POODLES ARE NEXT FOR THE BIG CHOP!

## Good Job Too.

Following his radical proposals to destroy all Pit Bull Terriers, Home Secretary Kenneth Baker is secretly preparing to go one step further. We can reveal that after the mass destruction of all Pit Bull Terriers, next in line for the fatal injection is the faithful old Poodle.

### ACCLAIM

But whereas the Home Secretary's plan for destroying Pit Bull Terriers met with outrage and objection, his scheme to kill off all poncey wire haired Poodles has met with widespread acclaim. For the harsh truth is that no-one in England has got any time for the poofy, yappy shit-producing balls of fluff that Poodles have become affectionately known as.

### ROAM

The Home Secretary has won powerful support from 'proper' dog owners everywhere. Roger Muggleton, Chairman of the 'Campaign for Real Dogs' said "We've waited for this legislation for 3 years. For far too long the horrible Poodle has been allowed to roam our streets on stupid tartan leads, terrorising and

"Butch" - a proper sort of dog who shags things and bites people.

upsetting people with their ridiculous coats and farty little yapping noises."

### MILAN

The plan to outlaw the Poodle has even received backing from the RSPCA. A spokesman said, "We're very relieved that the Home Secretary has decided to wipe out these horrid little pooches. In fact, when we heard the news, we pissed ourselves laughing. For years we've been trying to put a

stop to their breeding, but they just seem to keep popping out from the armpits of old ladies fur coats."

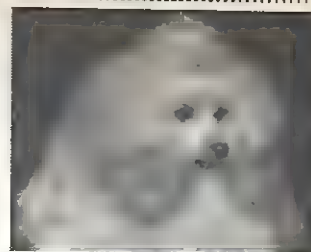

### VENICE

But it's not always the poor dog's fault that no-one likes it. More often than not, the owner is to blame. They bought it in the first place, remember. And then perhaps most cruelly of all, they continue to feed it and take them out for walks. Thus prolonging their lives by sometimes up to 8 years.

### CRUEL

Only last month we uncovered an evil practice where Poodles were being bred for the sole purpose of annoying people. This cruel and sickening trade involved teaching the Poodles to beg and to offer their paw in return for biscuits. The poor defenceless creatures are taught to make that awful yapping noise and are shown videos so that they can capture that mincing poncey walk - the mark of a thoroughbred Poodle.

Many of the Poodles were also force-fed 'Mr Dog Gourmet Puppy Food,' enabling them to shit 4 times their body weight onto our pavements every day.

"Tammy" - a bit of a nancy boy to say the least.

### JACK RUSSELL

But it's not just Poodles who are in the firing line. Other pooches who could well face mass extermination due to them being a complete waste of time include Jack Russells, Welsh Terriers and that hideously loathsome little fart of a dog - The Shihtzu.

"No-one likes us. We don't care"

### ALAN KNOTT

Rumours that the government is planning to raise the finance for a dog registration scheme by selling £5 tickets to witness the mass destruction of Poodles at Wembley Stadium was denied by a government spokesman last night. He said tickets would probably fetch a tenner at least.

## SPURS SORT CASH CRISIS

Tottenham Hotspur have finally hit on the miracle solution to their massive financial headache. The long term injury to star player Paul Gascoigne looks likely to finish his career and it is well known within the game that loads of people have it in for the fat sod.

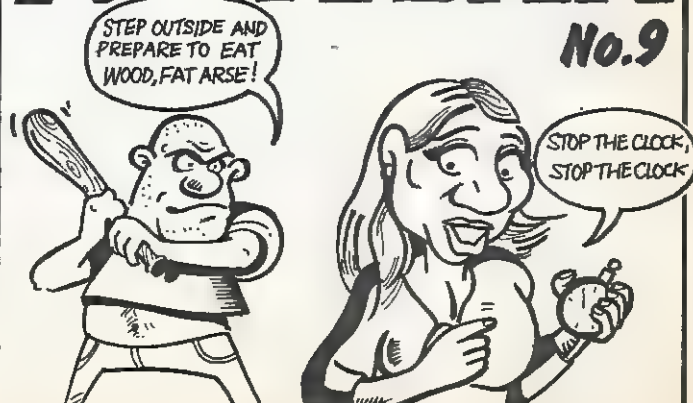

An anonymous Spurs director told us, "We're selling £50 raffle tickets.

The winner gets to tell Gazza he'll never play again. The runners-up get to watch."

With aggro planet Mars eclipsing Venus, you may find a loved one showing you the red card tonight. Instead, why not flee the country and join some crappy non-entity of an Italian team with a stupid name that sounds like a cheap brand of toilet cleaner.

## TAURUS

Today, lady luck is on your side, not to mention a dodgy referee. So indulge in as much foul play as you like — then sulk, cry, stamp your feet and deliberately make yourself sick, safe in the knowledge that the nation will take you to their hearts.

## GEMINI

The typical Gemini is proud and unafraid to declare their loyalties. A bit like me really — "Ratners jewellery. It's world class man" — see, it's as easy as that. That's another £500,000 thank you very much.

## CANCER

You may feel a little depressed today so why not treat yourself to a gift. A bottle of perfume or after-shave perhaps. But don't get that stuff Henry Cooper uses — it's fookin' crap man.

## LEO

Everything seems to be collapsing around you. Your club owe millions and are going to flog you off to a team that plays in the Italian Horlicks Sunday League. Then you go and break your kneecap committing the most atrocious foul ever seen at Wembley. Ha fuckin' Ha, that's what I say!

# PAOLO GASCIONI'S GAZZASCOPE

## SCORPIO

With Mercury, Venus, Mars, Jupiter, Saturn, Uranus, Halley's comet, a lunar eclipse, a meteorite storm, the Milky Way and half a dozen supernovas in your sign, now seems a good time to take up a new hobby. Astronomy seems a reasonable bet. Alternatively bring out a few duff Lindisfarne records.

## SAGITTARIUS

By nature a joker, the sagittarian always loves a chuckle. Try a touch of satire. Like wearing a pair of plastic tits for instance. Or sticking your tongue out and pulling a stupid face. Better still, ill-time a tackle and ruin someone's career.

## CAPRICORN

With the initials FA continually appearing in your star sign, there is a chance you will win a magnificent trophy, all nice and shiny. But there is also an equal chance of you winning absolutely nothing in your entire lifetime, so to speak.

## AQUARIUS

Around the 25th, Venus crosses into your water sign before eclipsing planets Mercury and Pluto. What this means, fuck only knows. But if there's any Lira or Mars Bars in it, count me in.

## Birthday Forecast

Let's hope your big day lives up to all expectations. Be sure to not get too over-excited in the early stages as you could find yourself getting carried away. On a stretcher with hideously damaged knee ligaments. Try learning to tackle properly first.

## VIRGO

Sparks begin to fly between the sheets tonight as you find the perfect love match. Sounds like you've gone to bed with Paul Stewart. Not bad in the sack is he? Better than in central midfield at any rate.

## LIBRA

Self control is all important, but with Uranus in your sign nearing the sun, this may be a turbulent time for many Librans. In other words, refrain from crying like a big blubbery baby when anyone calls you a fat tub of Geordie Lard.

## PISCES

After a long hard week, maybe you should take some time off for recreation. A shooting star in your sign over North London around 3pm this Saturday is worthy of pursuit. Lucky number, 8. Lucky hospital, The Marylebone.

## THINGS YOU DIDN'T KNOW ABOUT TV WEATHERMAN JOHN KETTLEY

TV weather forecaster John Kettley is one of Britain's favourite personalities, yet so far he has shunned the bright lights of publicity and remains a man of mystery and enigma. We decided to fill some space we forgot about by ripping the lid off television's most popular meteorologist.

**1** John Kettley is an Egyptian name which, if you move the letters around a bit and add some new ones, translates as 'sacred prophet of the sky.'

Some weather

**2** John started his weather forecasting career early in his childhood. He would often give weather forecasts to his proud parents by shouting his predictions down a piece of string with old soup cans attached to either end.

unable to because the camera's couldn't see him through the thick fog!

**3** Like many teenagers at that time, John used to frequently masturbate in his bedroom.

**6** Although John has always wanted to visit the Meteorological Office in Bracknell, Berkshire he has never been able to get round to it because the trains to Bracknell are a bit irregular from Knutsford near Manchester where he lives.

**4** Thankfully, John hasn't had a wank for two years apparently. Even then it was only because his wife went away to the Lake District for the weekend.

**7** Co-incidentally, the firm '3M' is also based in Bracknell and they make Scotch videotape which is the tape John records all his weather forecasts on!

**5** John's favourite weather forecast was the one where he had to tell everyone it was very foggy in Liverpool but was

**8** Unlike Radio One DJ Dave-Lee Travis, John does not have a beard. Or a Swedish wife.

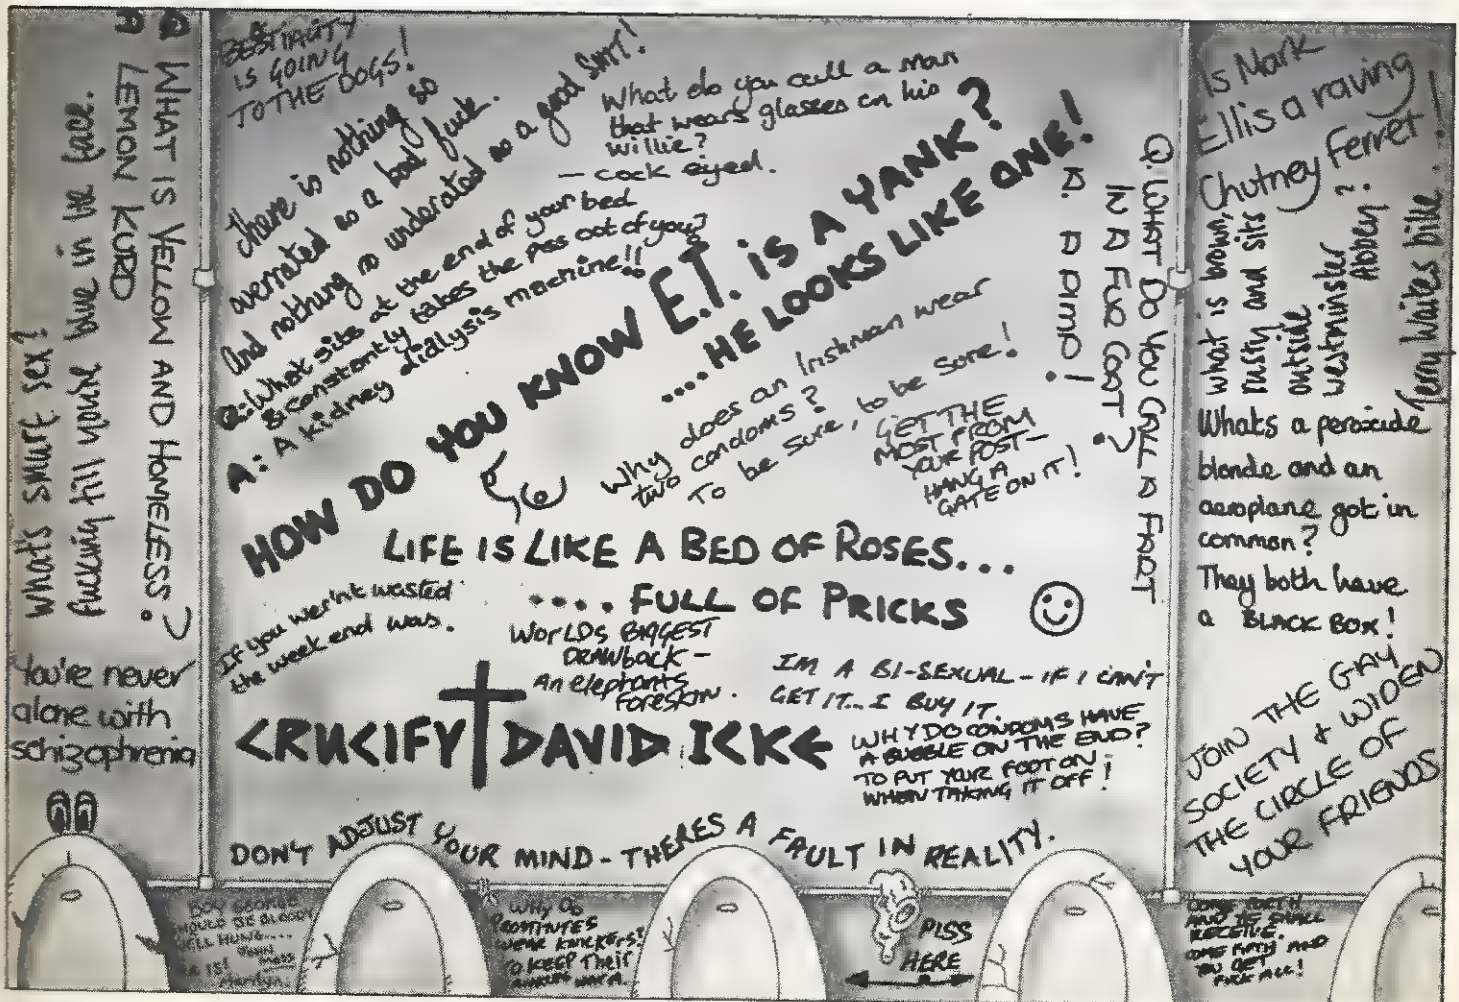

Or a farm for that matter.

**9** But this does not prevent D.L.T.'s weekend show from being John's favourite radio listening. He especially likes the quiz because the questions aren't as hard as those on Mastermind but aren't quite as simple as the ones on Les Dawson's BBC television show 'Fast Friends.' They're just right really.

**10** We've just thought of another one for number 7 - 'The John Lewis Partnership', the people who own 'Waitrose' supermarkets. They're based in Skelton Way, Bracknell.

Looks like it's brightened up though

Subscribe to ZIT and we'll post you your own personal copy hot off the press in an asbestos envelope – direct to your comfy little home.

A years supply (12 issues) costs only a measly £12 (£16 overseas). And just think, you'll get your copy ahead of all your friends, so you'll be able to impress them with a wide variety of gags and japes pretending that they're all of your own making.

Mind you, a week later they'll read ZIT, rumble you and beat the living crap out of you.

I ENCLOSE A CHEQUE/PO PAYABLE TO HUMOUR PUBLICATIONS UK LTD.  
Or, I'm a thick git where money's concerned, so debit my Access/Visa card.

Quick! Please rush me a years supply of ZIT as I accidentally watched BBC TV's 'You Gotta be Jokin' and now desperately need cheering up.

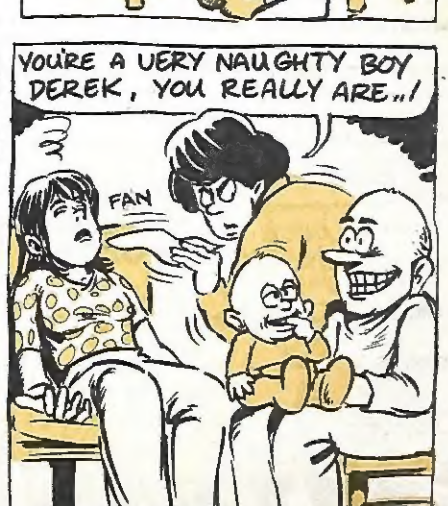

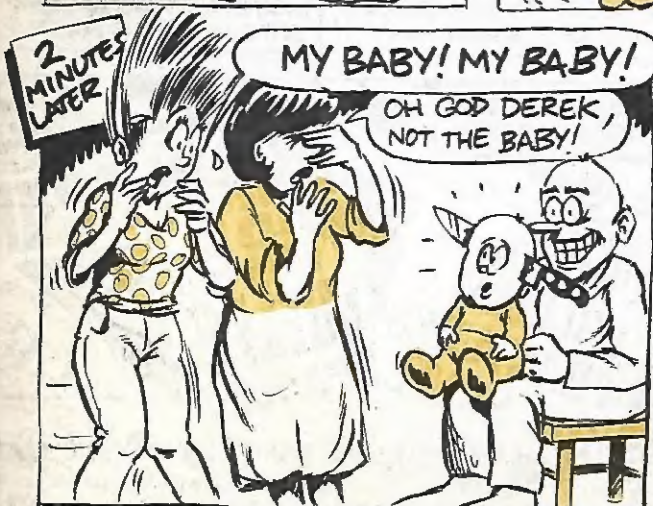

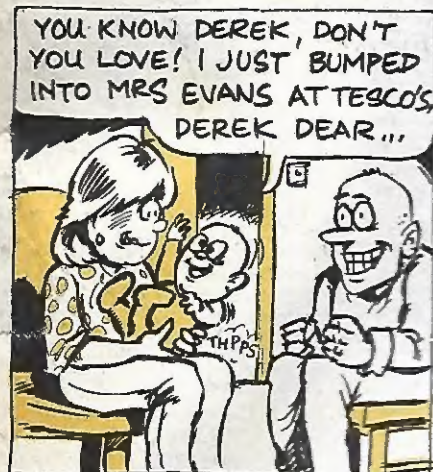

**Are you a right spotty Herbert?**  
Good, serves you right for eating all that chocolate crap. But if you have genuinely developed a corker of a spot, a real blinding boil, don't let it go to waste. Get a friend to photograph it, and send it to us. We'll publish the best spots we receive. Each one published wins a years supply of Mars bars. The runners-up receive some Oil of Ulay and a flamethrower. Send your efforts to ZIT, 'I'M A RIGHT SPOTTY HERBERT,' PO BOX 859 HOVE, E. SUSSEX BN3 2BJ.
